Supporting Student Success

Goal 1: To improve student achievement in literacy and mathematics through formative assessment strategies

Through authentic PLC work, teachers will collaborate on formative assessment strategies and student interventions.

Teachers will use the following formative assessment strategies:

- ❖ Provide students with clear learning targets and the criteria for success
- ❖ Provide students with regular formative feedback in relation to their progress toward learning targets/goals
- ❖ Provide students with opportunities to use the feedback to improve the quality of their work

Goal 2 Well-Being: We will improve student well-being at our school by working as a staff to support calm and centered responses to daily challenges and unforeseen events.
